## 2. Sign for Foreign Settlement in Astrology

For considering foreign Travel in Astrology Chara Rasi or Movable signs are of Prime importance. Movable Sign means- the changing tendency is high in these signs. So when Planets are placed in these signs, they give a changing tendency to the native like changing of residence, changing of job, changing of country etc.

Sthira rasi or fixed Signs are not helpful in regards to foreign settlement in astrology. Planets in these signs give a tendency to stick to particular place. So those who have more planets in Fixed signs, they do not change their residence or job too much.

Going abroad means change of country or change of residence. So planets in fixed sign block the chances of going abroad. Common Sign or dual Sign can give short term foreign travel. Like if have multiple planets in Dual sign may go to abroad frequently but for very short duration may be like one month.

The signs are further divided according to quality or Tatwa of the Rasi. They are Fiery sign, Earthy Sign, Airy Sign and Watery Sign.

- Fiery Sign-Aries, Leo and Sagittarius.
- Earthy Sign-Taurus, Virgo and Capricorn.
- Airy Sign-Gemini, Libra and Aquarius.
- Watery Sign-Cancer, Scorpio and Pisces.

Watery Signs like Cancer, Scorpio and Pisces are especially very important for Travelling Abroad. For going to foreign countries need to cross seas. So watery signs are very important in horoscope. Cancer is both Movable and Watery sign. Moreover, it is the natural 4th house of the zodiac. So it has special importance for foreign travel in astrology. Planets Like Rahu, Moon, Saturn, Venus in Watery Sign are good indication of Foreign Travel.

## 3. Planets for Foreign Settlement

There are four main planets which helps a person to travel abroad or going out of own country-Rahu/Ketu, Moon, Saturn, Venus. We have to see these 4 planets and their dignities and connection with proper houses in Horoscope for going abroad.

Rahu is the most important planet for travel abroad. If Rahu is well placed, it can give Foreign Travel in its Dasha. It can give foreign things but it cannot guarantee satisfaction. When Rahu is conjunct with 7th lord, 8th lord, 9th lord or 12th lord, it can indicate foreign travel in astrology. Rahu in Lagna or 7th can also give travel abroad.

Moon being the natural 4th Lord, Moon is also equally important when judging foreign settlement in astrology. According to classics when Moon is placed in Kendra (1,4,7,10) the person can travel a lot within country as well as outside of country. Moon in Watery sign especially when conjunct with Rahu can give foreign travel in astrology. Moon in 8th, 9th or 12th, especially exalted Moon in 12th can indicate foreign settlement in astrology.

Sun also plays interesting Role. Sun represents royalty. It brings native in contact with dignities. When Sun is placed in the 5th house from Ascendant, it is a helpful disposition for Diplomats and travelling abroad.

If Mercury is placed in 4th, the individual changes his residence frequently and travel lot of places. The result will be more prominent if Mercury is placed in Movable signs.

In few Nakshatras also like Ashwini Nakshatra, Bharani Nakshatra, Ardra nakshatra, Swati Nakshatra, Pussya Nakshatra, Hasta Nakshatra etc while judging the foreign travel in astrology. Moon or Rahu in these Nakshatra will increase the chance of going abroad.

#### 4. The Houses for Foreign Travel in Astrology

In earlier days, it was seen as a Curse to Leave own country and to go to a foreign country. But with time this curse has turned into Blessing. The Main house for foreign journey is 12, 9 and Ascendant or Lagna.

12th house is the foreign land. So this is the most important House for Foreign settlement in astrology. If Moon is placed in 12th house along with Venus, this is an indication of Foreign Travel in astrology. If Rahu also joins this conjunction, it becomes a very strong indication of foreign journey. If there is planet like Saturn in 12th house, the individual will have a strong inclination towards foreign country. 9th house signify fortune, Luck, Long Journeys or long distance travel etc. So this is another important house for foreign travel in astrology. When 9th Lord is placed in 12th house or Vice versa, it indicates that your Fortune is in foreign land. A group of Planet like 4 or 5 planet in 9th house of 12th house is a strong indication towards foreign travel in astrology.

The Next important house is Lagna or Ascendant. Lagna is the self. Without the approval of Lagna nothing can happen in a Horoscope. So if Lagna lord makes a relation with 12th lord or Lagna Lord sits in the 12th house, it is a strong indication of foreign travel in astrology. If this relation happens in Watery sign like cancer, Pisces etc or Movable signs like Libra or Capricorn the chances is very high.

In a nutshell have to see Conjunction, aspect, Exchange between Lagna Lord, 9th Lord and 12th Lord. If these relations involve Watery signs or Movable signs, the indications are strong. The more and strong the relation will be, the more will be the chances of foreign settlement in astrology.

But there is another important house which we have to look and without the indication from this house travelling abroad is not possible. 4th House is the Home Land or own country. So any Affliction to 4th House or 4th Lord can give foreign settlement. If the 4th house is placed in 6th, 8th or 12th and 4th Lord is equally afflicted and there is relation between 9th and 12th house and their Lords, we can predict that there is high chance of foreign settlement in astrology. If there is planets Like Rahu/Ketu, sun or saturn in 4th house, the chance of Going abroad in astrology increases.

When the 4th house or the Lord is not afflicted or weak, the person cannot leave his own country. If there is relation between 9th or 12th but 4th house is very strong, chances for foreign journey will come but the native will not be able to go due some reason. If the 4th house is strong and connected with

5th and 10th house, the person will get good opportunity in own country and do not feel the need to go to abroad.

There are two more houses which also needs some attention in 7th house and the 3rd house. 7th House also Deals with Foreign Travel. When 7th house is involved with 12th or Planets like Rahu/Ketu there can be foreign journey due to Business purpose or Business Trip.

3rd House shows short Journeys or short travels. It is not directly connected with foreign travel always but it gives a tendency or inclination towards travel. If there is Planets like Moon or Ketu is in 3rd house, the likes to travel a lot. If the 3rd Lord makes a relation with 12th lord and 9th lord by aspect, conjunction or Exchange it is strong Yoga for Foreign Travel.

For Foreign Travel relation between 3rd, 7th, Lagna, and 9th in a watery or Movable sign is sufficient but foreign settlement in astrology cannot happen without the involvement of 12th house or 12th lord.

#### 5. Methods to Predict Foreign Travel From Horoscope

The fourth house or the fourth lord has to be afflicted from Lagna. Rahu/Ketu should be connected via conjunction or Nakshatra exchange with 4th lord or 4th house. Whenever 4th House is afflicted and 4th Lord is placed in Dusthana like 6, 8 or 12th house, the native leaves his or her homeland to settle abroad.

If the 9th or the 12th house of a Horoscope falls in Movable or Watery signs or the 9th & 12th lord is placed in Movable or watery signs Foreign Travel is indicated. For example, If the 4th Lord is placed in the 9th house with 12th lord and the sign is also Movable or watery signs, it is an indication of Foreign Travel for higher education.

When 4th lord is placed in 12th house then native will find more auspicious living in abroad rather than at his native place. Association of 5th, 9th, and 12th lords in the Dasamsha indicate travelling abroad for professional reasons. These persons are usually employed as skilled professional like (scientists, professors, etc.) in abroad.

If Rahu is in 12th house with 9th lord especially in a watery sign will surely give foreign Travel in its Dasha-Antardasha. Planets like Rahu or saturn in 12th house can give foreign settlement.

If the lord of the house of marriage or the 7th house is associated with 8th, 9th or 12th house or its Lords, it indicates foreign travel after marriage.

If the Lagna and Lagna lord both are in movable signs or dual signs then it would indicate foreign travel. Lagna indicates self. So when the sign which indicates self and the lord of that sign are in moveable or dual signs which indicates movement it can create Yogas of foreign travel in astrology for the person.

The related planets should be in Movable sign or in watery sign. The individual should run correct Dasha also. Rahu and Signification of marriage Venus also plays an important role in this case of foreign travel in astrology after marriage. 8th house also to be considered and if it is a Love marriage, should include the 5th house also. Venus is connected with 12th house or 8th house and Rahu in Rasi chart and Navamsa Chart is a strong Indication of Foreign settlement after marriage astrology.
